

Silkeborg the 1st of April 2014

Dear (.....)

We are contacting you regarding the first Three Sided Football World Cup, which is being held in Silkeborg, Denmark, on 23rd to 25th May 2014. The tournament is being hosted by Museum Jorn in collaboration with the International Three Sided Football Federation. (I3SFF). We have been advised by the Federation of your previous involvement in the game and of your wish to participate. We therefore cordially invite you to attend the event as both a participating football team and as a delegate at the Three Sided Football symposium, being held at the Museum on Friday 23rd May.

Teams from around Europe will be participating, and the symposium will gather together for the first time the principal players, thinkers and originators of the game.

With the originator of Three Sided Football – Asger Jorn – having Silkeborg as his hometown for many years, and being the benefactors of his great collection of art, library and unpublished manuscripts, Museum Jorn are delighted to be bringing the game back to its spiritual home. We would be delighted if you were able to accept our invitation and join us all for what we are sure will be an exciting and historic event.

We would be grateful if you could confirm whether you will be able to attend.

Cordially,

Jacob Thage

Director of Museum Jorn.
